TruShield Security Solutions, Inc. Announces Partnership with BW Cyber Services

TruShield to provide 24/7/365 monitoring capabilities to all BW Cyber Clients

Dulles, VA (March 15, 2016): TruShield Security Solutions, Inc., a global cyber security company providing continuous security monitoring solutions, has announced their partnership with BW Cyber Services, a cyber security company based out of New York.

"We're very excited about our new partnership with BW Cyber Services," says Paul Caiazzo, Principal and Chief Security Architect at TruShield, "BW Cyber's deep expertise within hedge funds, coupled with TruShield's experience supporting the Federal regulators who oversee this market will ensure that clients aren't just compliant with mandates, but also secure. TruShield's advanced threat prevention and detection technologies comprise key parts of our partnership's holistic offering, and, our mission of helping clients achieve tactical security quickly and efficiently blends extremely well with BW's 'Complexity Simplified' approach."

"We are exceptionally pleased with the outstanding cyber security capabilities TruShield offers as BW Cyber Services' 24-hour security monitoring partner," says Michael Brice, Founder of BW Cyber Services. "With this relationship, we can now ensure our customers have the ability to obtain world-class managed security services that are custom-tailored for the unique needs of the small to mid-size NFA and SEC members. I could not be more pleased with the exceptional relationship we have with TruShield and the outstanding value that it will provide to our customers - both now and into the foreseeable future."

TruShield will be providing Risk Assessments and Penetration Tests for BW Cyber's client base, as well as 24/7/365 monitoring capabilities.
