

## A Superior Air Conditioning Company

A Superior Air Conditioning Company is showing its appreciation to veterans and first responders in Northwest Florida. The support of Harley-Davidson of Panama City Beach, Beachy Beach Real Estate and Booyah Mortgage has granted Iraq War veteran Jimy Thorpe the opportunity to promote this program and the giveaway of a complete heat and air conditioning system on April 12, 2016.

A Superior Air Conditioning Company is a veteran owned and operated local business. This giveaway is a token of gratitude to all veterans and first responders who have given their time, duty and lives for the freedom of their country and community. A Superior AC is known for its commitment to providing community oriented service and support to active and retired military and law enforcement officials, covering the Bay, Okaloosa and Walton county areas. A Superior AC has partnered with Harley-Davidson of Panama City Beach and Beachy Beach Real Estate in the past to create unity amongst various officials in the fire department, police and sheriff departments, and emergency medical techs as well as veterans and military officials.
