Mosinee Family Chiropractic Inc. Selects iPatientCare EHR and Revenue Cycle Management Service after Their Critical Assessment

iPatientCare, Inc. Announces Mosinee Family Chiropractic Inc. switching to iPatientCare EHR and Revenue Cycle Management Services

Woodbridge, NJ, March 22, 2016 — iPatientCare, a pioneer in cloud-based ambulatory EHR and Revenue Cycle Management services, announces its selection as preferred EHR and RCM Service provider by Mosinee Family Chiropractic Inc. after their careful assessment.

iPatientCare is one of the well-known EHR vendors among the physicians because of its smooth process flow, ease-of-use, customizable templates and responsive as well as prompt support. Additionally, it is very affordable to switch from any other EHR to iPatientCare. Mosinee Family Chiropractic Inc., provides personalized care to improve well-being and quality of life. They are expanding and hence were looking for a better system that can fulfill their commitment towards patients obtaining and maintaining optimal health along with delivering prompt and efficient medical care that meets the highest standards. After a long and acute evaluation they selected iPatientCare EHR and RCM Services.

"iPatientCare handles our complete billing right from creating claims till the rejection and denial. They have a team of experienced billers who work on each claim till it gets paid. As soon as we send the codes from each patient visit they take the full responsibility of each step and processes that goes into collecting payments from payers. We have noticed tremendous change in our A/R cycle. Now we are getting much more time to provide health services." said Ryan Miller, DC, Mosinee Family Chiropractic Inc.

"We are very pleased to have Mosinee Family Chiropractic Inc. with us. iPatientCare has succeeded due to its user-friendly and functionally the best EHR with top-notch billing expertise, vibrant back-office working 24 x 5, KPI dashboard and numerous reports and also the best RCM services at the most cost-effective rates." said Udayan Mandavia, CEO, iPatientCare.
