About M Bath, DMD: Bath earned his DMD degree from Case Western Reserve University in Cleveland where he received the AAOMS excellence award in oral surgery. He then completed his Oral & Maxillofacial Surgery (OMS) residency at University Hospitals of Cleveland and Mt. Sinai Medical Center where he received extensive training in facial cosmetic and reconstructive surgery and laser-assisted procedures and was a Chief Resident. He is certified by the Ohio State Dental Board to provide training to other doctors and surgeons in the field of OMS and lectures frequently on both the local and national levels.

Dr. Bath maintains three OMS offices in the Columbus, Ohio area where he practices a full range of OMS procedures with emphasis in oral reconstruction through bone grafting and dental implants. Worth noting, Dr. Bath has accumulated experience with more than twenty distinct dental implant systems. In addition, Dr. Bath maintains a cosmetic practice, Bella Cosmedica, in Pickerington. A published author in the fields of OMS and aesthetics, Dr. Bath travels extensively to further his training.

He's an active member of numerous professional organizations including:

- American Association of Oral and Maxillofacial Surgeons (AAOMS)
- Ohio Society of Oral and Maxillofacial Surgeons (OSOMS)
- American Society for Laser Medicine and Surgery (ASLMS)
- American Academy of Cosmetic Surgery (AACS)
- International Congress of Oral Implantologists (ICOI)
