

2016 China Caribbean Investment & Finance Forum

"Over the past decade, China has become an increasingly integral source of aid and foreign direct investment (FDI) for Latin America and the Caribbean. Rising levels of FDI and trade over time reflect deepening relationships between China and the Caribbean. China continues to strengthen its ties throughout the Caribbean." - Chinese FDI in the Caribbean

Save the Date! Executives from China, top regional and local stakeholders from Puerto Rico, the US, and the Caribbean are on board for the one-day conference, which will be held at ocean-front La Concha Renaissance, San Juan, Puerto Rico on May 3, 2016.
