

Payscape to Host 4th Annual Glow on the Green Charity Golf Tournament

All proceeds will go towards the Junior Achievement's (JA) Chick-fil-A Foundation Discovery Center to help make a difference in the local youth community.

Atlanta - April XX, 2016 --Atlanta-based financial technology company, Payscape, will host its 4th annual Glow on the Green Charity Golf Tournament at North Fulton Golf Course in Chastain Park on July 28th to benefit the Junior Achievement of Georgia organization. The event combines a 4-man moonlit golf scramble, live music and an impressive roster of local sponsors.

In 2013 the idea was born for a glow in the dark golf tournament to raise funds for JA Discovery Center, a 50,000 square foot, and state-of-the-art financial literacy facility inside of the Georgia World Congress Center. Four years later the event has transformed into a sold-out charity event.

“Payscape is a longtime supporter and advocate of Junior Achievement’s mission and presence in the Georgia communities and Glow on the Green allows us to continue to help them make an impact in the lives of the youth in our area,” says Adam Bloomston, Co-Founder and Chief Financial Office of Payscape.

Junior Achievement is the nation’s largest organization dedicated to giving young people the knowledge and skills they need to own their economic success, plan for their future, and make smart academic and economic choices.

“Glow on the Green is one of the most unique and fun events in Atlanta and JA of Georgia is thrilled to be part it,” said Jack Harris, president and CEO of Junior Achievement of Georgia. “This event is just one of the many ways Payscape supports JA and assists in providing more than 50,000 metro Atlanta middle school students with opportunities to develop skills for financial and professional success. We are grateful for their continued partnership and look forward to a fun night on the greens.”

Party-only tickets to Glow on the Green, as well as sponsorships, are still available. For more information, please visit <https://payscape.com/glowonthegreen/>.

About Junior Achievement of Georgia

Junior Achievement (JA) of Georgia is dedicated to giving young people the knowledge and skills they need to own their economic success, plan for their future, and make educated academic and economic choices. JA programs are delivered by corporate and community

volunteers, and provides relevant, hands-on experiences to students from kindergarten through high school. JA of Georgia offers multiple programs, including in-class programs, *JA BizTown*, *JA Finance Park* and *JA Fellows*, all of which focus on entrepreneurship, financial literacy and career readiness. During the 2013/2014 school year, JA of Georgia served 164,000 students statewide through five district offices located in Atlanta, Columbus, Dalton, Gainesville and Savannah.
