

iPatientCare to Demonstrate Physician Quality Reporting System (PQRS) in its Upcoming Virtual User Conference (VUCON)

iPatientCare announces to conduct its upcoming VUCON session with agenda of sharing knowledge on PQRS to assists the Physicians' Offices in avoiding payment adjustment by successfully Reporting to CMS through iPatientCare PQRS Registry for the year 2016

Woodbridge, NJ, April 28, 2016 — iPatientCare, a pioneer in cloud-based ambulatory EHR and Revenue Cycle Management services, announced its [monthly Virtual User Conference](#) (VUCON) May 2016 session to share the present-day knowledge on Physician Quality Reporting System (PQRS) requirements for year 2016.

Virtual User Conferences (VUCONs) by iPatientCare are the knowledge dissemination sessions hold every month to keep our users engaged and up-to-date with current industry topics and new enhancements within iPatientCare system. These sessions are designed and focused in terms of Education, Exhibition, and Entertainment. With ever-changing healthcare industries standards and policies and with new upcoming trends, VUCON 2016 sessions are planned with a view to provide a complete outlook and view of such trends including launches of the iPatientCare new products and software versions with its demonstration; and many useful add-ons. Upcoming Virtual User Conference (VUCON) is set to share contemporary knowledge on Centers for Medicare & Medicaid Services (CMS) [Physician Quality Reporting System](#) (PQRS2016) requirements.

iPatientCare being one of the leading [CMS qualified registries](#) since 2014 has assisted many Physicians' Offices in avoiding payment adjustment by successfully Reporting to CMS through certified iPatientCare PQRS Registry. Online tools to collect and report quality data for the CMS PQRS program designed by iPatientCare, make it easy for users of iPatientCare as well as non-iPatientCare EHR users including both, the eligible professionals and Group Practice Reporting Organizations (GPRO).

This session is due on Thursday, May 19, 2016 at 3:00 PM EST and will cover the information for PQRS 2016, Different Reporting Mechanism, MAV (Measures Applicability Validation) Process and much more.
