semihandmade

Launched in May 2016, Los Angeles-based Semihandmade's **PRINT** line of cabinet doors combines cutting-edge ink-jet technology with an amazing group of artists from around the world. Doors are available for select Ikea bathroom, media and console systems.

33 Stewart Ave . Art of Board . Elizabeth Olwen . Eloise Renouf
Erik Abel . Lisa Congdon . Mirth Studio . Rex Ray

Semihandmade makes doors that fit Ikea cabinets. Since 2011, we've completed almost 4000 projects throughout the continental US and Canada. Showrooms include Palm Springs and Burbank, and WeWork locations in Pasadena, Chicago, New York City and Brooklyn. In 2015, *Inc. Magazine* named Semihandmade to its list of the 500 fastest-growing private companies in the US.
