Ceremony Venues

Outdoor Ceremony *Indoor Ceremony*

Our outdoor ceremony gives you a picturesque elegant wedding enhanced by the beauty of nature. While standing under the Arbor saying "I Do" you and your loved ones will be overlooking beautiful lakes, big old oak trees, and pines. This package includes the complimentary set up and rental of white folding chairs. If an outdoor ceremony is selected, an indoor back up location will be booked in conjunction in case of inclement weather at no additional charge.

Awe-inspiring Honey Lake Chapel provides the perfect setting for a church wedding for up to 250 guests. It boasts a 56-foot steeple housing an antique brass bell two inches thick; 14 foot stained-glass windows (some of the oldest in Florida); beautiful antique pews; 22-foot coffered ceilings; and tongue-and-groove pine walls. And best of all, it sits just a mere stone's throw away from pristine Honey Lake and its glorious sunset views bathe the audience whether they are inside or outside the chapel.

From some of the oldest glass stained windows in the state of Florida to the breathtaking view of the 80 acre lake, the beautiful Honey Lake Church is a special place that words cannot describe.
