FOR IMMEDIATE RELEASE: 05/02/2016

LynnCo Achieves CIOReview Ranking for 20 Most Promising Automotive Tech Solution Providers
A Top 20 Most Promising listing by the publication for the third year in a row.

TULSA, OK: LynnCo Supply Chain Solutions joins an elite number of companies that have earned a spot on the 20 Most Promising Automotive Tech Solution Providers list of 2016 by CIOReview.

In a deliberate session with honorary industrial experts, a list of 20 Most Promising Automotive Tech Solution Providers 2016 has been concluded by CIOReview, a leading resource bridging the gap between enterprise IT vendors and buyers. The positioning is based on an evaluation of LynnCo's specialties in offering a powerful centralized control of supply chain activity through one ready-made web-based system: SuiteEdge™. By integrating data from multiple sources, SuiteEdge™ makes it easy to look deep into the supply chain and capture hard-to-find performance and cost savings.

"I congratulate LynnCo on being recognized with the much coveted title and being a recipient of the 20 Most Promising Automotive Tech Solution Providers 2016", said Jeevan George, Managing Editor, CIOReview. "We are glad to showcase LynnCo this year due to its continuing excellence in delivering top-notch technology driven solutions."

President of LynnCo, Wendy Buxton, says, "LynnCo is honored to receive a Top 20 award from CIOReview for the third year in a row. We strive to provide an applied technology solution that is not only innovative, but inventive, enabling our automotive clients competitive market positioning through a supply chain network that has been engineered and optimized by our team of consultative and operational experts."

About CIOReview: Published from Fremont, California, CIOReview is a print magazine that explores and understands the plethora of ways adopted by firms to execute the smooth functioning of their businesses. A distinguished panel comprising of CEOs, CIOs, IT VPs including CIOReview editorial board finalized the "20 Most Promising Automotive Tech Solution Providers 2016" in the U.S. and shortlisted the best vendors and consultants.
