

COVERAGE FOR POWER SEASON AND BEYOND

FIVE-YEAR WARRANTIES AND \$15 REBATE ON ALL BRG UPS SYSTEMS

When the weather heats up, so does the demand for electricity. Between high temperatures and heavy loads on the grid, utility power can flicker, falter, and fail. Keep your customers covered with award-winning power protection from CyberPower.

Beginning May 1, 2016, all BRG Intelligent LCD UPS Systems will come with a standard **FIVE-YEAR WARRANTY** and **\$15 INSTANT REBATE***. Ideal for home and office equipment, these UPS units correct minor power fluctuations without switching to battery power.

PRODUCT SHOWN: **BRG1500AVRLCD**

CyberPower reserves the right to change, without prior notice, marketing programs, product offerings or specifications. Five-year BRG series product warranty and \$15 instant rebate do not apply to TAA compliant models.

*\$15 instant rebate is offered through distribution and is valid from May 1 - July 31, 2016. \$15 instant rebate based on USD price. Rebate may be combined with upfront customer discounts and 3% Gov/Ed discount. No further opportunity discounting of the BRG models will be allowed during this rebate period. Contact your CyberPower sales representatives for complete details. Void where prohibited.
