BELLGRAY

AMBITION IS A LOOK

Bellgray is the executive woman's wardrobe edit. Because fashion isn't something you necessarily want to work at.

In the business world, the highest achievers are the ones who solve problems effectively, with great finesse. Founded on the belief that confidence follows style, Bellgray presents a streamlined solution to the persistent challenge of curating a beautiful work wardrobe.

We edit an elite selection of pieces from our favorite designers, optimized for professional settings.

Launching May 17, 2016
