72-HOUR EMERGENCY HOME KIT

STANDARD | \$179

We may call it "Standard," but this entry-level preparedness kit is fully equipped for above-average emergency preparedness. It doesn't matter where you live, what types of natural disasters are common in your area or what unexpected short-term crises might come up, this kit has everything you need to overcome it. Food, water filtration, toiletries, tools, first aid, electronics — even playing cards to help pass the time. Consider yourself covered with our Standard 72-Hour Emergency Home Kit.

DELUXE | \$229

Our Deluxe 72-Hour Emergency Home Kit offers everything you'll find in our Standard Kit and elevates your preparedness with some valuable additions. Bonus nourishing drink options, a more comprehensive first aid kit and additional gear items increase your level of confidence in the face of crisis.

PREMIUM | \$279

This comprehensive all-in-one kit includes all the food and gear items from our Standard and Deluxe kits, plus chocolate milk and a variety of valuable extras. A heavy-duty emergency tarp, 10-in-1 multi-tool, and a top-of-the-line hand/solar powered radio, light and charger are just the beginning. If you want to go all-in on your emergency planning, this is the kit for you.
