**ScreenScape Connect device**

**Training & support**

# Content management software is yours free with the purchase of a ScreenScape Connect device.

## 2 ways to Publish Content

1. Use a ScreenScape Group to organize your content and coordinate playlists for hundreds of devices through one account at ScreenScape.com.
2. Local merchants can quickly publish to their local screens with an optional Venue account.

## Industry leading content management

Create and manage your playlist from anywhere using your free account at ScreenScape.com.

## What are the key business benefits of ScreenScape Connect?

ScreenScape Connect offers important advantages over other conventional digital signage media players. Depending on your specific project needs these advantages may include:

- **Low capital cost for the media player** (device cost included with 36 month subscription to ScreenScape, only \$200 USD with pay-as-you-go plan)
- **No capital cost for peripheral equipment** (use existing TVs)
- **Simple setup process** (plug it in and it works)
- **No installation** (equipment is already in place)
- **Simplified project management**
- **Easy maintenance** (easy to replace without rolling a truck)
