## Endeavour Solutions Inc. Awarded 2016 Microsoft President's Club for Microsoft Dynamics in Canada

Microsoft Dynamics GP is a leading ERP system from Microsoft and is complemented by Microsoft Dynamics CRM, a leading system for Intelligence Customer Engagement

Toronto, Ontario, July 11, 2016– Endeavour Solutions Inc. is pleased to announce that it has been named to the 2016 Microsoft President's Club, an esteemed group representing the top 5% of Microsoft partners worldwide. Although the bar has been continually raised year over year, Endeavour has been able to yet again achieve this highly sought after recognition for its support of Microsoft Dynamics in Canada. Endeavour Solutions has been serving the Microsoft Dynamics GP and CRM communities for over 25 years through its Canadian offices in Toronto, Halifax, London, Edmonton and Montréal.

*"We would like to thank all of our clients, both new and long-term, as it is your support that has allowed us to continue to grow and receive recognition annually for hitting new milestones. In FY 2017 our goal is to continue our growth plans, including additional services to bring further value to you, our customers. "*

**Terry Sunderland, President, Endeavour Solutions Inc.**

Endeavour Solutions provides Microsoft Dynamics consulting services to clients in every province across Canada and in parts of the USA. Having been named to the President's Club for the 5<sup>th</sup> time in the past decade, this 2016 award is a further testament of Endeavour's continued customer-centric focus on helping its clients make their business's better.

*"Winning this award is a culmination of many things... Great customer service, significant sales growth, and standing out amongst our competition – All of which happens when you have a team committed to excellence. Our clients are each leaders in their area of focus and we are pleased to be there to help them realize their potential."*

**Steve Ewing, Director of Business Development, Endeavour Solutions Inc.**

The Microsoft President's Club is for those Microsoft Partners who achieve specific strategic business milestones while maintaining a consistently strong commitment to high levels of customer satisfaction and an active pursuit of technologically advancing their solutions and services.
