Minneapolis, MN (Saturday, July 23, 2016) – In celebration of its **5 Year Anniversary**, **Mixed Roots Foundation** will go back to their Minnesota roots and present its **4th Annual ‘Adoptee Night’** with the **MN Twins** in partnership with **T-Mobile** this year as they take on the **Detroit Tigers** on **Wednesday, August 24, 2016 at 7:10 p.m. at Target Field**. T-Mobile will **sponsor 200 kids** to assist with helping Mixed Roots Foundation reach its goal of sending **1,500 adopted and foster care kids** to the game along with providing **purple rally towels** that will be given to each Adoptee Night attendee as a tribute to the late **Prince** and the **MN Vikings**.

Mixed Roots Foundation will not only **pay a purple tribute** to **Prince** and the **MN Vikings** for their work in the community, but they will also celebrate and recognize two organizations on the field that Prince and the MN Vikings have also supported including **Children’s Home Society of Minnesota (CH) / Lutheran Social Services of MN (LSS)** and **Harvest Network of Schools**.

“**Children’s Home Society and Lutheran Social Service of Minnesota** are very grateful for the **Minnesota Vikings** long time support for children and adoption,” said **Maureen Warren, President of Children’s Home Society (CHS) and Lutheran Social Service of Minnesota (LSS)**. “The **Minnesota Vikings** and **Minnesota Twins** **build awareness and support for adoption** by generously sponsoring game related events that reach large audiences of Minnesota sports fans.”

“In 1993, **Prince** made a generous gift to the **Harvest Network of Schools**. His gift allowed us to purchase our building at 1300 Olson Memorial Highway,” said **Dr. Eric Mahmoud, Founder, President and CEO of Harvest Network of Schools**. “What was most significant about Prince was that I never met him and he never asked for any publicity. Since his death I’ve learned much about his philanthropy and it’s clear that he gave because it matched his values and it was what was in his heart. **Twenty-three years later our schools are still benefiting from his generosity.**”
