

FOR IMMEDIATE RELEASE

iXerv Global Announces Expansion into North America

Luke Marson and Jeroen Wielens Appointed to Lead iXerv Americas SAP SuccessFactors Practice

BRUSSELS (1 August, 2016) – As part of ongoing growth initiatives, iXerv Global, a certified partner and provider of business process and strategic solutions for SAP SuccessFactors, today announced the formation of iXerv Americas. The new entity will be headquartered in San Antonio, Texas and will extend iXerv's worldwide reach by providing a full suite of services, technology, tools and support for customers of SAP SuccessFactors across North America and surrounding regions.

iXerv Global has appointed Luke Marson as Co-Founder and Chief Executive Officer and Jeroen Wielens as Co-Founder and Chief Operating Officer of the newly formed iXerv Americas entity. Additionally, they will join the Executive Management Team of iXerv Global and take responsibility for growing the global business. Together, Mr. Marson and Mr. Wielens bring more than 30 years of HCM and Payroll consulting, strategy and implementation experience to iXerv Americas.

Luke Marson joins iXerv Americas from Hula Partners where he served as Chief Cloud HCM Architect and had responsibility for growing the SAP SuccessFactors service line. Mr. Marson is an experienced solution architect and widely-recognized expert in SAP SuccessFactors and SAP ERP HCM. His expertise includes end-to-end HR and HR technology strategy, advisory, assessments, roadmaps, transformation, optimization, and implementation services for large, global enterprise customers. In addition, Mr. Marson is an alumnus of the SAP Mentor initiative of industry experts, analysts, and bloggers.

Jeroen Wielens joins iXerv Americas from Longbridge Consulting where he was most recently Global Program Manager, SAP SuccessFactors. Mr. Wielens has over 18 years of experience in SAP ERP HCM, SAP SuccessFactors, talent management and global payroll ranging from multi-national implementations to running global support across Asia, Europe, Oceania, North America and South America.

iXerv Global CEO Luc Bossaert commented, "iXerv Americas is a very important milestone in iXerv's global growth plan. The expansion is another step in our commitment to becoming the premier SAP SuccessFactors partner in the world. In Luke Marson and Jeroen Wielens, we are fortunate to have two of world's most respected and experienced HCM minds that bring decades of experience to our customers."

iXerv Americas will be represented at SAP SuccessFactors' annual SuccessConnect Conference in Las Vegas, August 29-31, 2016.

About iXerv:

iXerv is a global SAP SuccessFactors consulting partner that is ideally placed to deliver excellence in SAP SuccessFactors HCM suite implementations, leading with Employee Central (EC). iXerv offers leading implementation and strategic services for mid-size and global SAP SuccessFactors customers, supported by proprietary products, accelerators, and CloudCare support – all overseen by a leadership team that deeply understands cloud, EC, project and program management and integration. iXerv maintains offices in the United States, United Kingdom, Belgium, United Arab Emirates, and South Africa.
