Earth Friendly

Premier prints a “Green” catalog on recycled paper with soy ink. This catalog promotes 2,500 green items. Premier can provide marketing pieces that promote Green products and a Green cross reference file to promote environmentally friendly products compared to their everyday purchases.

Premier Supplies has made a significant commitment to providing environmentally friendly office supplies.

Our History

Sheldon Lehman & Mitch Wergiles established Premier Supplies in 1992.

Since then, Premier Supplies has grown into a well established company. Premier has 65 distribution centers, which provide a high level of customer service and same or next day delivery to more than 90% of the U.S.

Our focus on operational excellence has given the company an average line fill rate of better than 98%, a 99.6% order accuracy rate, and a 99% on-time delivery rate.

When combined, this network and Premier's depth and breadth of inventory in technology products, traditional office products, office furniture, janitorial and break room supplies, and industrial supplies, enables Premier to ship products on an overnight basis to more than 90% of the population of the U.S. and major cities in Mexico.
