### **Paramount WorkPlace Named to 2016 President's Club for Microsoft Dynamics**

*Spend Management Solution Provider, Paramount WorkPlace, recognized for outstanding performance.*

**Detroit, MI – August 5, 2016 - Paramount WorkPlace**, an advanced web and mobile spend management software solution developer and provider, has been named to the 2016 President's Club for Microsoft Dynamics. This achievement is a direct result of Paramount WorkPlace's outstanding dedication to customer satisfaction through the delivery of innovative business management solutions.

President's Club honors high-performing partners for their commitment to customers, which is reflected in their business success and growth. This prestigious group represents the top five percent of Microsoft Dynamics partners worldwide. Membership is granted based on their continual, committed efforts aimed at offering solutions that meet the needs of their customers.

This recognition of President's Club for Microsoft Dynamics came during Microsoft Worldwide Partner Conference (WPC) 2016, the annual premier partner event, which took place July 10-14 in Toronto, Ontario. WPC provides the Microsoft partner community with the opportunity to learn about the company's road map for the upcoming year, establish connections, share best practices, experience the latest product innovations and learn new skills. **Foy Mainor**, Vice President of Sales, and **Spencer Chambers**, Vice President of Product Management & Strategic Initiatives for Paramount WorkPlace attended the Partner Recognition Event and received the award on behalf of the company.

"Each year we recognize and honor Microsoft Dynamics partners from around the world for exemplary performance," said Frank Holland, Corporate Vice President, Microsoft Business Solutions Sales & Partners. "The award-winning partners clearly demonstrate their dedication to their customers' business success through their exceptional commitment and expertise. Microsoft is honored to recognize Paramount WorkPlace for their achievements this past year and for their dedication and support of Microsoft Dynamics applications."

Paramount WorkPlace is dedicated to developing intuitive software solutions that help customers achieve strong ROI throughout the entire organization via automating **requisitions, procurement, and expense**, and gaining real-time visibility and control while providing a superior user experience. By collaborating with Microsoft Dynamics teams and user groups, Paramount WorkPlace maintains a strong expertise of the Microsoft platform to provide innovative solutions, strong services, and unparalleled value to its customers.

"This award recognizes the importance we place on delivering business solutions that directly address the spend management challenges our customers face," said **Chris Baird**, Chief Technology Officer at Paramount WorkPlace. "We are honored to be recognized among an elite group of colleagues."

"Paramount WorkPlace has a long history of providing rich functionality with deep, seamless integrations that leverage and extend the power of the Microsoft Dynamics product lines," said Chambers. "This recognition reflects our commitment to continued product innovation that is complimented by the close partner and customer relationships within the Dynamics communities that make successful solution delivery possible."
