

Hi! We are

INDOOR AG+CON

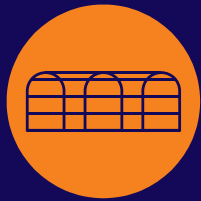

We host the most diverse gathering
of farmers, experts, innovators,
entrepreneurs & academics to
showcase the accelerating
growth of indoor
agriculture.

Indoor Ag-Con is the place to be if you want to:

- 1 showcase your technologies,
- 2 learn about the present and future of indoor agriculture,
- 3 find the best companies to invest in,
- 4 influence the future of growing food,
- 5 mingle with the best of the best in indoor agriculture

Our events are crop-agnostic, and we cover all kinds of growing forms:

Hydroponic Greenhouses

Plant Factories

Container Farms

In-Home Systems

OUR STATS

IN THE PAST YEAR,
WE HAVE HOSTED:

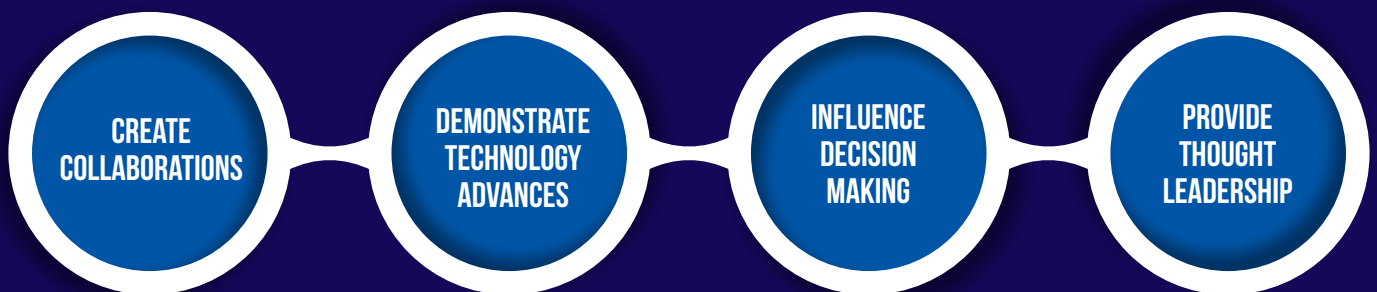

1000+ ATTENDEES

70+ INTERNATIONAL SPEAKERS

50+ EXHIBITORS

20+ COUNTRIES REPRESENTED

We connect the dots in indoor agriculture:

OUR EVENTS

Indoor Ag-Con events are created by experts to address the critical issues for continued growth in the sector.

Through our knowledge and research we create focused and exciting agendas featuring the most influential and experienced leaders across all aspects of indoor agriculture.

We encourage interaction in all our sessions, create networking opportunities and encourage the sharing of ideas and information.

INDOOR AG-CON ASIA

January

The newest addition to our lineup is hosted in Singapore, SG and focuses on Asia's industry.

The event format is two days of content and a drinks party. Future events may include an exhibition hall.

Next Event: January 2017

INDOOR AG-CON

May

Now entering its fifth year, our flagship event is our annual one in Las Vegas, NV.

The event includes an exhibition hall, two days of content and drinks party.

Next Event: May 2017

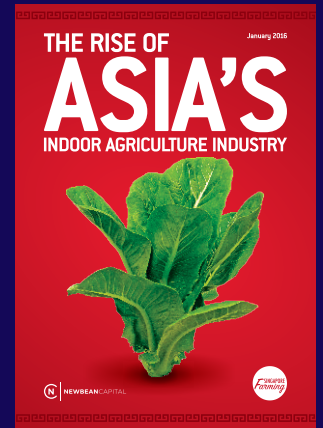

INDOOR AG-CON GOTHAM

October

Our annual New York event is our thought leadership one, presenting the 'big picture' of the indoor agriculture industry.

A one day event that does not include an exhibition hall, it is hosted in a theater in Chelsea and the day concludes with a drinks party.

Next Event: October 2016

At Indoor Ag-Con we research and for each event produce a white paper on critical topics for the industry. Our previous four papers have been cited in the media and have even been mentioned in US Security and Exchange Commission filings.

ABOUT THE HOST

Newbean Capital hosts Indoor Ag-Con and is a US registered investment adviser that manages early stage venture capital mandates. Its founder - Nicola Kerslake - has a longstanding interest in agriculture investment, having previously covered agriculture stocks as an equity analyst and managed institutional portfolios that covered the sector. She founded Indoor Ag-Con in early 2013 to provide a meeting place for those who are as passionate as she is about the promise of the indoor agriculture industry.
