## **Greene, Tweed & Co. Receives Lam Research 2016 Supplier Excellence Award**

Kulpsville, Pa., Aug. 24, 2016— Greene, Tweed & Co. has been recognized as one of ten companies receiving a 2016 Supplier Excellence Award from [Lam Research Corp.](#) (NASDAQ: LRCX), a major global supplier of innovative wafer fabrication equipment and services to the semiconductor industry. The awards, presented annually, acknowledge their commitment to exceeding performance standards. Greene, Tweed & Co. earned Lam's Supplier Excellence Award for exemplary Quality.

"We are delighted to receive the Supplier Excellence Award from Lam Research and are proud to be recognized for our quality performance and our advanced technology products," said Rick Andersen, Vice President and General Manager of Semiconductor at Greene, Tweed. "We will strive to continue providing best-in-class service and solutions for the semiconductor industry."

The Lam Research Supplier Excellence Awards were announced on August 22 at the company's Supplier Day, during which Lam Research focuses on enhancing collaboration and renewing opportunities for mutual success with its customers and suppliers. Executives from suppliers around the world attended the event, and Greene, Tweed & Co. was among the companies honored for its achievements.

"We applaud the contributions of Greene, Tweed & Co. as one of Lam's preferred suppliers, and appreciate the important role they play in delivering industry-leading products and services to our customers," said Tim Archer, chief operating officer, Lam Research. "We are pleased to present Greene, Tweed & Co. with a Lam Research Supplier Excellence Award for Quality and we look forward to continuing our success together."
