DEAL SPECIALISTS

Vista Insurance Advisors provides the Private Equity and Investment Banking industries with expert insurance guidance and access to a broad portfolio of coverage options to help facilitate M&A transactions.

TYPES OF COVERAGES

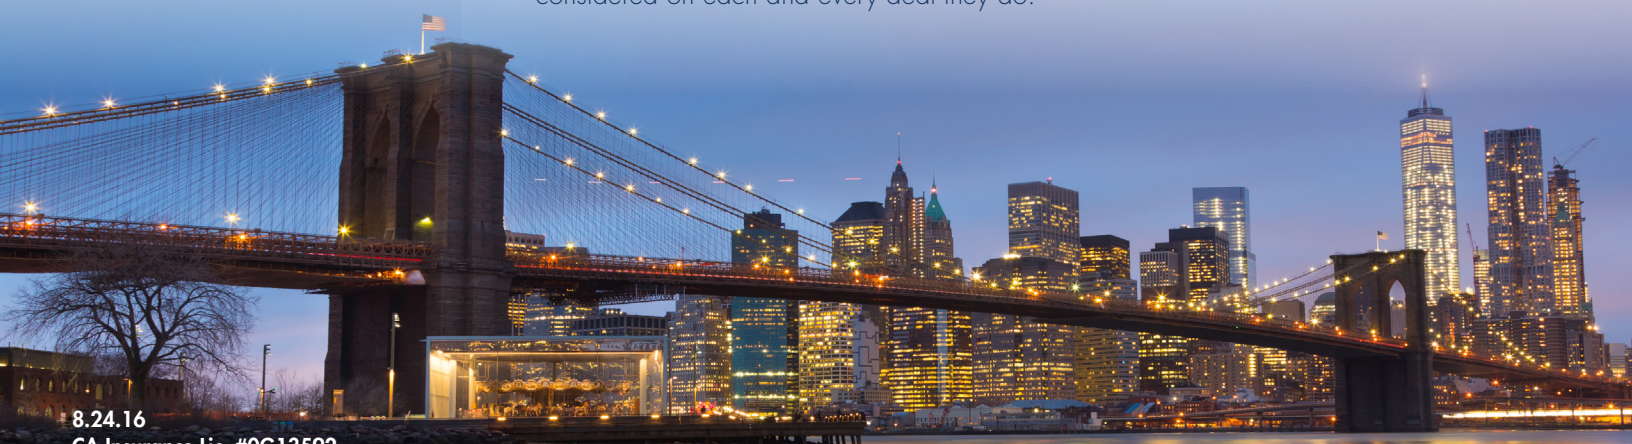

Vista is a highly-specialized insurance broker with access to top-rated insurance carriers who underwrite these transactional coverages for a wide range of M&A clients:

- ✓ Representations & Warranties
- ✓ Adverse Tax Liability
- ✓ Securities Acts Liability (and similar public or private offering liability)
- ✓ Litigation Buyout
- ✓ Cyber Liability related to M&A and other special transactions
- ✓ Contingent Liability / Performance Warranty
- ✓ Directors & Officers Liability related to M&A and other special transactions

These insurance coverages are specifically designed to facilitate the closing of deals by reducing escrow requirements and by engineering work-around solutions for issues that can threaten to prevent deals from closing.

OBJECTIVE DUE DILIGENCE

The underwriting process can also prove invaluable by providing an impartial review of the due diligence conducted by all parties to a pending deal. For that reason alone, more and more Private Equity firms and Investment banks are insisting that transactional insurance be considered on each and every deal they do.
