

THIS. CHANGES. EVERYTHING.™

**OVERVIEW** KC Gravity LED Pro6 light bar is an off-road lighting system unlike any you've seen before. This performance light bar is powered by Gravity G6 Optical inserts and features the Infinity Ring System that is modular and adjustable.

Details and Specs: <http://www.kchilites.com/pro6>

## FEATURES ≡

≡ **ADJUST** from Radius to Straight or even a Hybrid Radius LED Light Bar that provides extreme output and custom fit

≡ **CUSTOMIZE** your beam pattern using Spot, Driving or Wide-40. Tune your beam by rotating optical inserts creating a custom beam shape

≡ **TURN-KEY** install using complete harness and vehicle specific mounts making setup clean and simple
