

3rd Myanmar Mining Summit

18 – 20 October 2016 / Yangon

OFFICIAL HOST:

Ministry of Natural Resources
and Environmental Conservation

ORGANISED BY

www.cmtevents.com

Day One - Tuesday, Oct 18th

~ Separately Bookable ~

**Pre-Summit Workshop
(10:00hr – 16:30hr)
Geological Workshop on Mineral Resources
in Myanmar & Prospectivity**

Workshop Outline:

- Status of Geosciences & current GSL/MGS memoir of Myanmar
- Tectonic & metallogenic setting of Myanmar
- Myanmar mine & mineral deposits
- Myanmar mineral deposit types & exploration potentials
- Environment & sustainability of mining sector
- Panel discussion on mining & exploration in Myanmar

Speakers Panel:

Prof Khin Zaw, Professor of Economic Geology, CODES, University of Tasmania

U Aung Kyin, Managing Director, TRIUMPH (MMT) Co., Ltd.

U Than Htun, Project Manager, Myanmar Precious Resources Group

Dr Kyaw Thu, Principal, Macle Gem Trade Laboratory

Dr Ye Myint Swe, Director General, DGSE, Ministry of Natural Resources and Environmental Conservation

Day Two - Wednesday, Oct 19th

SUMMIT DAY 1

- 08:00 Registration & Coffee
- 09:00 Chairman's Welcome Remarks
- 09:05 **Opening Address by
H.E. U Ohn Win, Union Minister
Ministry of Natural Resources and
Environmental Conservation**
- 09:15 **Amended Mining Law & Regulation
(Licensing & Concessions), Clarification on
Roles of the Ministry & etc**
U. Win Htein, Director General
Department of Mines
**Ministry of Natural Resources and
Environmental Conservation**
- 09:40 **Mineral Potential in Myanmar & Exploration
Activities Updates**
Dr. Ye Myint Swe, Director General
Department of Geological Survey & Mineral
Exploration (DGSE),
**Ministry of Natural Resources and
Environmental Conservation**
- 10:05 **Foreign Company Operating in Myanmar:
Investment & Taxation Related to
Mining Operation**
Official Speaker
**Directorate of Investment & Company
Administration**
- 10:55 Networking & Refreshment
- 11:40 **JOGMEC's Forward Looking Developmental
in Myanmar's Mining Landscape**
Satoshi Sadatani, Project Director
**Japan Oil, Gas And Metals National
Corporation (JOGMEC)**

- 12:10 **Extractive Industries Transparency Initiative
(EITI) Report Updates & Forward Directives**
U. Kyaw Thet, Director, Department of Mines
**Ministry of Natural Resources and
Environmental Conservation**

12:35 Mining Project Financing & Options

- 13:00 Networking & Luncheon

14:15 Mineral Deposit Projects in Myanmar: Their Exploration Potentials & Sustainable Development

- Myanmar has a long history of mining for base metals, tin-tungsten, gold, silver, nickel, and gemstones and currently a hot spot for global explorers
 - Despite the fact that Myanmar is endowed with world class resources, mineral and extractive industry is in infancy stage due to several decades of isolation
 - Highlight importance of regional/local ore deposits studies as well as proper and transparent management program for training, community engagement, and corporate social responsibility for sustainable growth
- Prof. Khin Zaw, Professor of Economic Geology
University of Tasmania

14:40 Feasibility Study on Development of Mwetaung Lateritic Nickel Deposit in Chin State

- Myanmar has only two world class lateritic nickel deposits namely Tagaung Taung and Mwetaung (second largest)
- Measured geological lateritic ore reserves is about 42 million tons with average nickel grade 1.409%, metallic nickel reserves is about 600,000 metric ton
- Recommended mining and smelting method
- Results of Environmental & Social Impact Assessment & Proposed EMP/CSR program for Sustainable Development. Proposed PSR for Win-Win project

U. Lynn Myint, General Manager

North Mining Investment Company

15:05 Public Reporting of Exploration & Mining Information In-Line with International Reporting Standards

(The opening up of exploration and mining opportunities in Myanmar comes with a need to adopt agreed definitions for key exploration and mining terms. There are many examples of national public reporting codes for the minerals industry that are appropriate for use in Myanmar. This talk will provide a summary of the key issues to be considered and the importance of adopting standards for public reporting of such information.)

Mark Berry, Principal Geologist
AMC Consultants

- 15:40 Networking & Refreshments

16:10 Development of Myanmar's Gold & Base Metal Exchange

Dr. Aung Thuyein Win
Deputy Assistant Director (Executive Engineer)
No. (2) Mining Enterprise
**Ministry of Natural Resources and
Environmental Conservation**

16:40 Regional Tin Market Outlook, Economics of Smelting Value Chain in Myanmar

Mussadiq Hamid Merican
Manager, Business Development
Malaysia Smelting Corporation Berhad

17:10 Development of Downstream Smelting & Refining Facilities

Senior Official
**Ministry of Natural Resources &
Environmental Conservation**

- 17:40 Discussion followed by End of Day One

3rd Myanmar Mining Summit

18 – 20 October 2016 / Yangon

OFFICIAL HOST:

Ministry of Natural Resources
and Environmental Conservation

ORGANISED BY

www.cmtevents.com

Day Three - Thursday, Oct 20th

SUMMIT DAY 2

- 09:00 Chairman's Remarks
- 09:05 **Next Generation of Mineral Discoveries in Myanmar – Role of Pre-Competitive Geoscience**
- Acquiring & managing geoscientific information
 - Importance & benefits of pre-competitive data delivery at the early stages of the mineral exploration and mining investment cycle in Myanmar
- David Royle, *Geology Consultant*
Access Asia Mining Pte Ltd
- 09:30 **Geology, Exploration & Sustainability of Modi Taung Gold Mine**
- Tin Tun, *Chief Geologist*,
National Prosperity Gold Company
- 09:55 **Copper Mining Project Operation & CSR Efforts for Sustainable Development**
- Weiwei Meng, *Chairman & Managing Director*
Myanmar Wanbao Mining Copper Limited
- 10:20 Networking & Refreshments
- 10:50 **Enforcement on Mining Safety, Environmental Conservation & Sustainability (Local Community Engagement & CSR)**
- U. Hla Maung Thein, *Director General*,
Department of Environmental Conservation
Ministry of Natural Resources and Environmental Conservation
- 11:15 **Applying International Best Practice in Social & Environmental Performance in New Markets: Case Study of PanAust's Exploration Activities in Mainland South East Asia**
- Richard Taylor, *General Manager*
External Affairs and Site Support
PanAust Asia

- 11:40 **Sustainable Mining in Myanmar: Realities, Challenges & Solutions**
- U. Kyi Htun, *Consulting Geologist*
Independent Geology Consultant
- 12:15 Final Discussion followed by Closing Luncheon

~ Separately Bookable ~

Post-Summit Workshop (14:00hr – 17:00hr) Best Practice Safety & Sustainable Mining Standards

Workshop Outline

All mining companies strive to operate safely, minimise environmental disturbance and provide medium to long term benefits to the local community and other stakeholders. This workshop will present a summary of internationally accepted best practices in safety, environmental management, and community and social responsibility.

The key objectives of the workshop are:

- Summarise the main international organisations involved in setting standards of practice for the minerals industry
- Summarise the internationally accepted codes of practice covering the industry
- Describe the challenges for developing countries to improve standards
- Present a range of examples illustrating aspects of safety, environmental management, and community and social responsibility

Who should attend:

- Policy makers
- Government staff working in the minerals industry
- Myanmar-based mining operators

Conducted by:

Mal Dorricott, *Principal Mining Engineer*,
AMC Consultants

"Transformation for Sustainable Growth"

Significant transformation is undergoing now in Myanmar's mining landscape with the new government taking serious steps to overhaul mining rules and legal framework; a move aiming to elevate Myanmar mining's profile to new growth of opportunities and investment, as well as towards transparency and sustainability.

Successfully organized in Yangon in 2012 and 2013, **3rd Myanmar Mining Summit** returns to Yangon this October with the newly merged **Ministry of Natural Resources & Environmental Conservation** as the official host., **CMT's 3rd Myanmar Mining Summit** connects with host of influential speakers and updated agenda on legislation, mineral potential and downstream opportunities, investment and financing options, safety and technologies in this important last mining frontier.

Be sure to attend **3rd Myanmar Mining Summit** if you are exploring for the opportunities to network with the government officials, financiers, mining experts and local mining companies and operators. Register now with huiyan@cmtsp.com.sg and enjoy early bird discount and the opportunity to have ONE to ONE meeting session with the ministry during the 2 days' event.

Why you should attend 3rd Myanmar Mining Summit:

- Up to 15 hours for networking and direct interaction with potential partners & opportunities
- Direct from the Ministry on the mining law amendment & guiding regulation, affirmative incentives to encourage partnerships & investment
- Find out the latest of Myanmar's gold & metal exchange
- Get access to financing options and financiers
- Latest on progress and experience in current mining projects in Myanmar
- Efforts towards more inclusive growth, CSR & community engagement
- Learn on the benchmarking practices in safety & environmentally sustainable mining

Customised Sponsorship Package

This event is an excellent platform to promote your organization to influential players and investors in the industry. Sponsorship opportunities available include Corporate, Exclusive luncheon & Cocktail sponsor. Exhibition/catalogue display can be arranged upon request.

Per Person Fee for:

Bundle Deal	(USD)
(Pre Workshop + Conf + Post Workshop)	2485.00
Conference	(USD)
3rd Myanmar Mining Summit: 19-20 Oct	
Regular Fee	1695.00
Group Fee for 3 or more	1295.00

Optional Activity Submit: request for 1-to-1 meeting
Participants who wish to schedule private meeting with Myanmar Ministry of Natural Resources & Environmental Conservation will be put on waiting list and the meeting slot will only be confirmed nearer to event date by email.

Pre-Conference Workshop: 18 Oct	695.00
Post-Conference Workshop: 20 Oct	395.00
Online Payment Discount (per person)	(USD)
Pay Online By 31 Aug with VISA/MasterCard	-300.00
<i>Not applicable with any other discount</i>
