

Directions

If entering from the west side of the mall, enter through Entrance 8 by Crate & Barrel and Panera Bread and walk towards Center Court. There is a hallway by the Walking Company on the left side. Go down the hallway, past the restrooms to the stairs. Go downstairs (there is also an elevator there). Go through the glass door and follow the hallway around the curve. At the hallway intersection, follow the hallway to the right and continue past the glass wall panels of the mall office towards the Pepsi machine at the end of the hallway. G110 will be on the right.

If entering from the east side of the mall, enter the property at 104th and North Ave. Follow the driveway past the parking deck and Nordstrom, towards AMC. Park under the AMC and enter through Entrance 2 (E2). Go past Brow Art 23 and Egyptian International. Look for a sign, hanging from the ceiling, that says "Public Safety, Garden Suites East, and Mall Management." Immediately to the right is a single glass door. Go through the door and down the stairs (elevator is available). Follow the hallway around towards the Pepsi machine. G110 will be immediately to the right.
