

ivari selects LOGiQ³ to deliver Reinsurance Management and Administration Services through Strategic Outsourcing Partnership

LOGiQ³ expected to provide deep reinsurance operations expertise and risk management services to ivari as part of long-term agreement

TORONTO – SEPTEMBER 26, 2016 – ivari, providing Canadian families with quality, affordable insurance options, along with the knowledge they need to make informed decisions about their protection needs, and LOGiQ³ Corp., an expert provider of life insurance and reinsurance consulting and outsourcing services are pleased to jointly announce a long-term Life Reinsurance Business Process Outsourcing (BPO) agreement. ivari will leverage LOGiQ³'s capabilities in life reinsurance to provide complete services related to management of day to day reinsurance operations.

This partnership allows *ivari* to scale as needed for future growth, focus on strategic efforts and provide excellent Reinsurer administration support. Reinsurance partners will benefit from a dedicated team of experts and the services provided to this critical business function.

“ivari looks forward to benefitting from LOGiQ³'s longstanding expertise in the field of reinsurance administration and their use of the TAI software platform.” states Gordon Stock, VP, Life Operations and Reinsurance Administration of *ivari*.

Brian Wilkinson, Vice President, Business Operations at *LOGiQ³* adds, “We are thrilled to onboard *ivari* as a new outsourcing client. The inclusion of *ivari*'s portfolio increases *LOGiQ³*'s reinsurance cessions and Net Amount at Risk under management to five million and \$250 billion (USD) respectively. *ivari* shares the same collaborative approach as us, and we're looking forward to a successful long term relationship.”
