### **Hydraulic Supply Company Announces New Location in Knoxville, TN**

SUNRISE, FL (Sept 27, 2016) – Hydraulic Supply Company (HSC), a leading fluid power distributor of hydraulic, pneumatic, and industrial products, is announcing plans to open its 23rd Eaton Aeroquip Hose Center location in Knoxville, Tennessee. The new retail store will be located at 5227 N. Middlebrook Pike, Suite B, Knoxville, TN 37921 and is scheduled for opening in late November with store hours of 8:00 a.m. to 5:00 p.m.

Currently, HSC operates 22 retail stores in Florida, Georgia, South Carolina, North Carolina, and Tennessee.

The company's locations offer customers a wide selection from more than 8,000 hydraulic, pneumatic, and industrial products with an impressive array of services, including hydraulic and industrial hose assembly, tube bending and flaring, and manual valve assembly, among others. All these products and services are delivered with the support of an experienced team of certified technicians.

Customers can also receive expert help through HSC's complimentary 24-hour emergency service hotline, 1-800-432-6413, or its website, [www.hydraulic-supply.com](http://www.hydraulic-supply.com).

All Hydraulic Supply Company retail stores are supported by the company's 60,000 sq. ft. distribution center, which provides customers with access to a selection of 20,000+ products across 100 brands for quick delivery to any retail location for pickup or shipment direct to customers.

"The Knoxville location is an exciting addition to our current footprint that will enable us to better serve our loyal customers throughout the Southeast, specifically Tennessee," said John Serra, president of HSC.

Hydraulic Supply Company's new location is part of the company's aggressive expansion plans, which include increasing its product portfolio, online services, and retail locations in both the US and Latin America.

In an attempt to meet customers wherever they are and whenever they need a product, Hydraulic Supply Company also complements its retail presence with its redesigned website, [www.hydraulic-supply.com](http://www.hydraulic-supply.com), one of the industry's most convenient ways to browse and purchase hydraulic, pneumatic, and industrial products.

### **About Hydraulic Supply Company**

Founded in 1947, Hydraulic Supply Company has more than 69 years of experience in the fluid power industry and has grown into a leading international distributor of fluid power products.

The company's headquarters and central distribution center are located in Sunrise, Florida. HSC currently operates 23 retail stores in Florida, Georgia, South Carolina, North Carolina, and Tennessee and distributes to the Caribbean and Latin America through its many affiliates.
