

BECAUSE YOU SERVED BENEFITS NOW AVAILABLE TO OHIO VETERANS

Wilson National, LLC Joins Because You Served to Allow Vets to List their Homes for Free

OCTOBER 11, 2016, HUNTERSVILLE, NC & HILLSBORO, OH—Because You Served—the only free real estate marketing platform designed to save veterans money, and **Wilson National, LLC**—a real estate and auction group—today announced their agreement to extend Because You Served benefits to veterans located throughout Ohio, focusing initially on Southwestern Ohio. Wilson National's presence throughout Ohio will allow Because You Served to quickly expand throughout the Buckeye State.

"We consider it a privilege for Wilson National to work with Because You Served to do something for those who have served in the military to protect our freedoms," said Mark Wilson, Principal of Wilson National, LLC. "As a family run real estate group, our military roots run deep. My grandfather served in WWII, along with others family members who have gone before him."

Any veteran who works with Wilson National and Because You Served can:

- Use an experienced brokerage company and get the same property exposure for property from standard real estate agreements.
- Eliminate the cost of listing their home.
- Collaborate with people who have been involved in real estate for decades.

"It is exciting to expand Because You Served offerings into the state and community I grew up in," said David Hodson COO of Because You Served, LLC. "For more than 50 years the Wilson's have built their business by genuinely caring for people. Working with a real estate group that follows the same code of conduct we follow is an ideal situation."

"Because You Served's goal is to save veterans money while streamlining the tedious home selling and buying process," said David Hodson, COO of Because You Served, LLC. "We offer veterans a wide array of marketing and home selling preparation service providers that are part of Because You Served's qualified sponsor network."

With Because You Served's vast network of sponsored services, home sellers can save between \$3,000 to \$12,000+ at closing; based on the list price of their home. They can also select from qualified sponsors that provide services typically needed during a move. Because You Served sponsored services include realtors, home warranty providers, mortgages, insurance providers, movers, home stagers, photographers, and much more.

"I've never seen a model like this before that is designed specifically for veterans and their families," said Wilson. "It is wonderful to give back to those who have sacrificed so much."
