Introducing **Invest Southwest**

Invest Southwest is a 501c6 non-profit dedicated to educating and mentoring the Southwest's early-stage firms and connecting them with serious investors from around the region to help fuel their growth.

Since 1992, under various incarnations, the organization has helped early-stage firms collectively raise more than \$300 million (and growing) in angel and institutional funding. Through year-round educational workshops, networking and mentorship activity, Invest Southwest has helped hundreds of organizations accelerate their growth, enlarge the regional economy, fuel new jobs and connect with influential investors and mentors that help shape their vision and give them a clearer roadmap to short- and long-term success.

Invest Southwest's Signature Event: **Venture Madness Conference**

Venture Madness is Invest Southwest's signature event that pits 64 of the most promising startup companies against one another in a single-elimination, bracket style tournament.

The Venture Madness Champion is crowned after a month of online competition plus a live, 'do-or-die' event held in early March at an Arizona-based venue.
