**Niklas Jakobsson**

**CEO of Axiomatics**

**Area of Expertise**

- IT
- Open Source
- Software Licensing
- International Outsourcing
- SaaS

**Industry Experience:**

Senior Management, Sales Management, Business Development, and Mergers and Acquisitions

**Biography**

As CEO, Niklas Jakobsson is responsible for leading Axiomatics' worldwide operations.

Niklas has over 15 years of experience in senior management positions. Before joining Axiomatics, Niklas served as the country manager at CA Technologies, a computer software company, where he was responsible for IT and services.

Prior to CA Technologies, Niklas worked as a partner at Reforce International. Niklas also held positions as both Nordic practice manager and head of software sales at Sun Microsystems.

Niklas started his career as an International business manager at Entra AB before joining Tieto Corporation as a client executive. Niklas has worked and operated in most business models in IT, ranging from open source to SAAS, software license sales to outsourcing in international environments.

Niklas has a master's degree in Business Administration from the University of Linköping, Sweden. He has also completed the CA Technologies Leader Development Program along with various management and leadership programs at Tieto Corporation and Sun Microsystems.
