SIGNATURE EXPERIENCES

[America's Escape Game](#), the global leader in the exploding escape game marketplace, is proud to announce our new partnership with Marriott Vacations Worldwide and Vistana Signature Experiences.

This exciting new relationship will bring the best escape game experiences available today to the finest resorts, in many of the world's most popular destinations. This unique offering will allow the guest to enjoy a world-class escape game experience without leaving the comfort of their resort.

Our first escape game collaboration, In & Out Gift Emporium featuring "Operation Sticky Foot" and the evil villain Cora Medusa a.k.a. "The Red Viper", will be located right here in Orlando, at the Sheraton Vistana Resort in Lake Buena Vista. Cora Medusa leads a syndicate of dealers who import exotic and endangered animals all over the world. Your mission is to catch her and stop this harmful business from continuing to proliferate. This new room incorporates some of our most creative challenges yet and is an amazing wholesome family experience.

Marriott and Vistana Signature Experiences have several more exciting destinations planned for Q1, 2017.

Alex Reece, CEO of America's Escape Game, commented; "We are both very excited and proud of our new partnership with Marriott and Vistana Signature Experiences. We see a very bright future of incorporating escape rooms powered by America's Escape Game in multiple Vistana locations in the coming months and years. There is no doubt that this powerful alliance will bring the exploding escape room experience to many enthusiasts throughout the world".

### **About America's Escape Game**

America's Escape Game was founded in April of 2015, and is located in the heart of International Drive in Orlando Florida. AEG has served more than 100,000 customers since its doors opened and is the worldwide leader in high quality immersive escape games.

### **What is an Escape Game?**

Escape games are an incredibly popular form of entertainment and education. A group of 2-12 are locked in a themed room and you must work together and use your mental, physical and personal abilities to solve puzzles, decode clues and figure out how to escape within a 60-minute time period.

Escape games are both a cerebral work out and social experience for all ages, and have become a popular family and team building activity. America's Escape Game is proud to have hosted corporate team building events with some of the world's most prestigious companies including Disney, Lockheed Martin, FedEx, International Paper, Enterprise Rent-a-Car, PepsiCo, Universal Studios, and many more.
