

Value-Added Producer Grant

Program Description : Provides funds for economic planning activities or eligible working capital expenses to enable viable agricultural producers to develop businesses that produce and market value-added agricultural products and to create marketing opportunities for such businesses.

State	Cong. District	Recipient	Grant	Project Description
AL	07	PR SAUCES, LLC	\$250,000	To launch Smokin' Joe's Pleasant Ridge BBQ Sauce made from tomatoes and onions grown on their farm in Eutaw, Greene County, Alabama, a persistently poor, StrikeForce county. Funds will be used for processing, packaging, labor, and retail marketing. The project is expected to create 15 jobs.
AL	03	ROBERT ADAMS DBA LITTLE CREEK FARMS	\$42,000	Grant funds will be used to support a feasibility study for processing goat milk into farmstead cheese.
AL	01	BON SECOUR VALLEY INGREDIENTS, LLC	\$250,000	Funds will be used for working capital to launch the process of food dehydration chicory, butternut squash, sweet potatoes, and carrots to form powders, granules, and extracts to be used in human food, health supplement, and in pet food.
AZ	01	BLACK MESA RANCH INC	\$45,158	To help the applicant increase customer base and market share for their goat milk fudge product.
AZ	04	CADUCEUS CELLARS	\$250,000	To help increase the customer base and market share for bottled wines.
AZ	09	UNITED DAIRYMEN OF ARIZONA	\$250,000	To help the applicant process, package, and market Lactoferrin, a dietary supplement
AZ	04	ARIZONA STRONGHOLD VINEYARDS, LLC	\$250,000	To increase the customer base and market share for the bottled wines they currently produce.
AZ	03	SCHULZ FARMS, LLC	\$46,000	To offset the cost of a feasibility study and business plan to sell processed pork products
AR	02	ARKANSAS FOODSHED COOPERATIVE	\$24,000	To pay a consulting firm to determine the feasibility of producing and packing specific organic vegetables for wholesale markets.
AR	03	ARKANSAS RIVER VALLEY FARMS, LP	\$250,000	The working capital grant will be used to pay for packaging of finished rice product that will be milled on the applicant's farm, and for packaging, marketing distribution and transportation.
AR	02	ARKANSAS SUSTAINABLE LIVESTOCK COOPERATIVE	\$239,369	To provide working capital for additional personnel to process, sale and market pork and beef for smallholder farmers in rural Arkansas.
CA	02	ACME SONOMA PROPERTIES, LLC DBA LIVE OAK	\$49,994	To expand the branding, promotion and packaging of tomatoes and parsley as local and organic produce.
CA	09	ARBURUA ENTERPRISES, INC.	\$30,000	To provide working capital to turn lamb into lamb jerky sticks with a trade-marked name. Slaughter/de-boning, processing, product promotion, and distribution will be included in this project.
CA	21	BARBARA & TONY MARTIN DBA DAIRY GODDESS	\$49,000	To provide working capital to expand sales of bottled, non-homogenized/vat pasteurized whole chocolate milk, fromage blanc cheese and curds. Funds will be used for marketing, website development, attendance at the San Francisco Fancy Food Show and for signage.
CA	06	BLUE DIAMOND	\$250,000	To provide working capital to expand marketing and promotional support for the sale of flavored almonds in China and Japan.
CA	01	CALROSE CO-OP	\$64,666	To assess the feasibility and marketability of flavored packages of rice intended specifically for sale to the "rice cooker" market.
CA	02	FIBERSHED	\$73,355	To develop a feasibility study and a business/marketing plan to support the regional processing of wool. The study will also include a determination of the feasibility of development a Community Supported Agricultural program for the sale of cloth, felt and bedding products.
CA	03	FULL BELLY FARM	\$45,000	To help a small farm turn 12 agricultural commodities (fruits, vegetables, legumes) into jams, pickled products, syrups, and oils. Funding will help support packaging, supplies and labor costs for this project.
CA	02	KRUEGER, JOANNE	\$47,399	To provide working capital to turn organic apples into apple granola and apple candy. Branding, packaging design, the development of marketing materials, website development, and product roll-out and sales outreach activities will all be part of this project.
CA	36	NORTH SHORE GREENHOUSES, INC.	\$250,000	To provide working capital to package organically-grown herbs into Organic Living Herbs, packaged in specially designed clam shells.
CA	26	REGENERATIVE EARTH, LLC	\$75,000	To develop a feasibility study, a processing plan and business and marketing plans on turning Fuyu persimmons into persimmon vinegar.
CA	03	RIVERDOG FARM	\$183,946	To increase the processing of pork into bacon, sausage, ham, and packaged pork cuts. These products will expand the farm's operation at farmers' markets and at its farm stand, and increase marketing via its Community Supported Agriculture program.
CA	22	SAN JOAQUIN FIGS, INC.	\$49,999	To design, package and market organic-dried figs and to purchase additional inventory for new markets.
CA	09	TOP LINE MILK COMPANY INC.	\$245,000	To process whole milk into farm bottled "low and slow" pasteurized milk. Funds will be used for the processing, bottling, marketing, advertising, sales outreach, and the purchase of additional packaging supplies.
CA	16	TOP O'THE MORN FARMS	\$250,000	To expand farm fresh milk sold in recyclable glass bottles into new geographic markets in Southern California. Funds will be used for the increased processing, distribution, promotion (including product demonstrations) and sales support.
CA	24	HAVERTON HILL LLC	\$250,000	To help a dairy turn sheep milk into sheep milk ice cream. Funds will be used to increase processing, packaging, marketing, and distribution of several new flavor lines.
CO	02	SWEETGRASS COOPERATIVE	\$49,000	To process up to 100 more grass fed/organic cattle for Sweet Grass's members. Award funds will also assist with entering new markets in New Mexico and Colorado
CO	03	THREE GUYS FARMS, INC.	\$49,650	To market and process farm grown vegetables pork, and eggs into sorbet, wafels, and ground meat.
CO	03	AMERICAN GRASSFED ASSOCIATION	\$75,000	To develop a marketing plan and branding recognition for the groups 400 plus members that provide grass fed meats to the market.
CO	01	KW FARMS	\$49,500	To cover processing, marketing and delivery expenses related to the grass-fed meat operation.
CT	03	CATO CORNER FARM LLC	\$250,000	To expand a dairy and creamery by establishing new types of cheeses, and to increase production of existing cheeses by buying milk from other local farmers.

State	Cong. District	Recipient	Grant	Project Description
DE	02	FIFER ORCHARDS, INC.	\$250,000	To expand marketing efforts for a family-owned apple orchard. The orchard sells its produce directly through its Farm and Country Store, Farmers' Markets, and wholesale to schools, restaurants, and grocery stores.
FL	01	C & B FARMS INC	\$48,000	To expand markets for C&B Farms by enabling them to produce a packaged product of sealed, bagged organic green beans that can be offered to major retailers.
FL	25	CHAUTAUQUA VINEYARDS AND WINERY INC	\$250,000	To help expand the market for bottled Muscadine grape wines and bulk grape juice and wine products.
FL	01	DELVEY DICKS FARM	\$100,000	To support marketing activities of Delvey Dicks Farm's North Florida Natural Black Angus. The project will help to create a new revenue stream for the farm via a new interactive e-commerce farm store website with online marketing, promotional videos and billboard advertising.
FL	03	THF HUBERY, LLC	\$15,000	To help fund a feasibility study and support marketing, sales and distribution activities.

Marketing efforts will include creating a Jubilee Blues brochure, internet marketing, and product tasting and demonstrations at trade shows, farm markets, retail stores and at a variety of agri-tourism events.
GA	02	CLARK, AL	\$250,000	To process, package, market, and distribute USDA Certified Organic peanuts in Georgia and neighboring states.
GA	11	CLEARWATER VINEYARDS LLC	\$240,000	Funds will be used to assist in the processing and marketing of grape products (wines).
GA	11	HIGHTOWER CREEK VINEYARDS LLC	\$24,962	To help process and market grape products (wines).
GA	09	LITTLE VINE VINEYARDS, INC	\$160,000	To help process and market grape products (wines).
MI	13	MICHIGAN BLUEBERRY GROWERS ASSOCIATION	\$250,000	To process blueberries into a private label to reach a new demographic.
GA	01	TILFORD WINERY LLC	\$31,500	To help with business planning activities.
GA	08	WOODLAND IMPROVEMENTS LLC	\$250,000	To help the company create wood chips that will be burned in a boiler as renewable energy.
GA	08	YONAH MOUNTAIN VINEYARDS, LLC	\$250,000	Funds will be used to assist in the processing and marketing of grape products (wines).
ID	09	FIREBALL ALPACAS	\$65,436	To help support processing and marketing costs necessary to expand the market presence of recipient's line of Alpaca fiber based yarns, roving, batting, rug yarn, and felted material.
ID	01	HARLAN MOUNTAIN FARMS, LLC	\$44,000	To provide planning assistance to assess the feasibility of establishing an on-farm creamery for the production of fresh farmstead cheese using milk from recipient's herd of Nubian goats.
ID	01	MAYES, BRANDI	\$42,732	To provide working capital to increase production capacity and wholesale market presence for the company's line of herbal enhanced body care products.
ID	01	NEVILLE FARMS, INC.	\$250,000	To provide working capital to assist with processing and marketing costs necessary to expand market for value-added forage cubes (horse feed) made from alfalfa and other hay.
ID	02	ONSEN FARM	\$161,455	To provide working capital to assist with marketing costs necessary to expand customer base for a line of locally-produced agricultural food products, consisting of a wide variety of fresh produce sold year round.
ID	02	PARMA RIDGE WINE & SPIRITS CO., LLC	\$49,990	To provide working capital to assist with processing and marketing costs necessary to expand production capacity and market presence for a new line of artisan wines.
ID	01	THOUSAND SPRINGS WINERY, LLC	\$250,000	To provide working capital to assist with processing and marketing costs necessary to expand market for wines.
IL	02	GRETTA'S GOAT MILK SOAP, INC.	\$41,299	To support day-to-day operating expenses associated with this farm-based, goat milk, soap, and cheese production business.
IL	17	MORAGRA PJ FARMS	\$250,000	To assist the farming operation with the handling, verification, sales, marketing and other working capital expenses for their identity-preserved, non-GMO corn production business.
IL	16	WHISKEY ACRES DISTILLING COMPANY	\$250,000	To establish or expand markets for the farm-based distillery business.
IL	16	ROLLING LAWNS FARM LLC	\$248,000	To assist this family-owned dairy farm with processing, bottling and selling raw milk and for toll processing of raw milk into pasteurized, homogenized, fortified and separated milk and cream products that will be packaged and sold. Funds will also be used for inventory (bottles, labels, caps) associated with this process.
IN	15	DAILY FARMS ENTERPRISES INC	\$61,532	To determine feasibility of producing the bio solvent butanol from sorghum and corn through ABE fermentation.
IN	04	GOAT MILK STUFF, LLC	\$250,000	To process goat milk into cheeses, pasteurized milk, yogurt, and other milk products. Working capital funds will be used to pay for distribution, promotional and processing expenses to convert fresh goat milk into several goat milk products.
IN	09	STECKLER, JEROME P	\$78,000	To expand sales and marketing of the family's organically raised meat, poultry, eggs, and cheese through retailers and their on-farm store.
IA	08	DAN AND DEBBIE'S CREAMERY, INC.	\$151,544	To process, package and market the dairy farm's milk products, such as pasteurized milk, ice cream and cheese curds.
IA	01	PISEL, KIRK J	\$49,575	To finalize the brand and assist with creating markets for the new product CYburdog.
IA	04	BATEY, LTD.	\$49,900	To expand and develop food grade wood pellet production and marketing.
IA	02	GREAT RIVER MAPLE LLC	\$49,520	To package and market organic maple syrup products. The new organic produce will expand the customer base and revenue.
IA	01	NORTH IOWA FRESH LLC	\$20,756	To develop a feasibility study to assess the economic, market, technical, financial, and management capabilities of the business's expectation for success.
IA	04	SIOUXLAND ENERGY COOPERATIVE	\$250,000	To pay expenses related to the development and marketing of cellulosic ethanol from locally processed corn grain.
KS	04	B'S CVF INC	\$49,948	To add value to the company's non-GMO corn, soybeans and oats ag commodity. The applicant will process the grains into non-GMO livestock feeds to fulfill the increasing customer demand of food produced GMO free.
KS	02	HOLY FIELD VINEYARD & WINERY LLC	\$81,460	To process the grapes into wine and expand the current product line. Project funds will be used for marketing, processing wine, and procurement of third party grapes.

State	Cong. District	Recipient	Grant	Project Description
KS	02	HOLY GOAT CREAMERY LLC	\$160,000	To process the goat milk into farmstead cheese and utilize funds for supplies, marketing, and food safety measures.
KS	01	MUNSON ANGUS FARMS LLC	\$250,000	To process the beef into prime meat cuts and sell directly to Munson's Prime restaurant. The applicant will develop recipes to utilize all cuts of the ag commodity and expand marketing to increase the sale of their value-added product. Project is anticipated to create 35 jobs and save 14.
KS	01	SCHENKER FAMILY FARMS	\$220,000	To launch commercial processing of value-added meat products including broth, soups and entrees.
KS	02	WHITE TAIL RUN WINERY LLC	\$24,532	To process grapes into wine, expanding the current line of award-winning wines. Project funds will be used to process and market the wine, purchase of third party grapes, and hire additional personnel.
KY	03	FARMER JOE'S, LLC	\$224,167	To process and package pasteurized chicken, duck, turkey, and pork to be sold wholesale and retail in Kentucky and Cincinnati, Ohio areas.
KY	02	LANMARK FARM, LLC	\$48,853	To support processing costs and marketing activities to sell finished wool products from farm raised sheep located in Bourbon County, KY.
KY	06	LEE'S PLANT FARM, INC.	\$250,000	To support the costs of increased processing, packaging, and marketing of locally grown produce to retail and wholesale customers in the local region.
KY	02	SIX RIDGES BEEF, LLC	\$226,598	To market, process, and distribute packaged beef, expanding the customer base and increasing revenue.
KY	06	CHELSEY'S EGGS, LLC	\$243,025	To pay for packaging, labeling, advertising and processing of local, pastured duck and chicken products serving the local community in Shelby Co, KY.
KY	04	CAVE HILL WINERY, LLC	\$98,875	To support processing and marketing of grapes into wine at the Winery's market expansion project located in Pulaski County, KY.
KY	05	FOUR PETAL FARM, LLC	\$40,438	To harvest wild Appalachian Elderflower, Spicebush, Sourwood, Sumac, Autumn Olive for simple syrup products that deliver natural high quality products locally, regionally and nationally.
KY	05	HOMEGROWN DIRECT, LLC	\$250,000	To market locally grown produce, including various types of vegetables.
KY	06	WILDCAT MOUNTAIN CHEESE, LLC	\$95,071	To increase production and sales of farmstead artisan cheese and cheese curds from 100 pounds of cheese to 300 pounds per week.
KY	05	HINTON'S ORCHARD & FARM MARKET	\$81,618	To pay labor costs to package, market, and distribute local fruits and vegetables to retail and wholesale markets located in LaRue County, KY.
KY	02	PALMER FARMS MEAT, LLC	\$49,995	To support processing fees, labor, marketing and shipping of their grass fed beef located in Calloway County, KY.
KY	01	RIVER HILL RANCH, LLC	\$49,999	Rural Development grant funds will be used to process alpaca finished products. Funds will be used for labor, manufacturing, packaging, labeling and promotional expenses.
KY	06	STILWELL, BRENDA	\$49,972	To pay processing fees, marketing costs and purchase additional products to produce "The Original Goat Jerky Snack Stick" from fresh farm raised goats.
LA	02	BATON ROUGE SHRIMP COMPANY, INC.	\$250,000	To support an initiative to develop a cooked product line that will deliver a fresh, affordable, and convenient shrimp products to families across the nation.
LA	02	CANE LAND DISTILLING, LLC	\$250,000	To extract molasses and fresh sugar cane juice from Alma Plantation sugar cane and ferment and distill it into three product types: Rhum Agricole, Heavy Rum, and Light Rum. Cane Land has commitments from customers and two distributors in each market segment.
ME	06	AMERICAN UNAGI, LLC	\$49,400	To assess the feasibility and marketability of processed products made from farm-raised American eels. Planning funds will support hiring a marketing consultant, performing consumer testing, nutritional analysis and development of a business plan.
ME	01	AVENA BOTANICALS	\$250,000	To assist with personnel, processing, and marketing costs to increase sales of organic, herbal products. Working capital funds will help expand the existing customer base and revenues more than 50 percent over the course of the grant period.
ME	01	BRAUTIGAM, NOAMI	\$24,145	To assist with the branding, processing, marketing and distribution of organic winter greens.
ME	02	DOWLING, JESSICA LAING	\$177,717	To produce and market artisan cheeses from goat and sheep milk. Working capital funds will be used for marketing, attending & participating in conferences, packaging, labeling, and labor in an effort to expand markets and increase customers.
ME	01	MITCHELL, MARGARET	\$63,856	To promote and produce canned, organic marinara sauce and salsa. Funds will support labor costs for processing, product delivery, and bookkeeping as well as advertising, marketing, jars and product labels.
ME	02	PENOBSCOT MCCRUM, LLC	\$248,000	To assist with personnel, ingredients, and marketing expenses associated with transforming raw potatoes into processed potato wedges. The funding is expected to help expand the existing customer base by 300 percent over the course of the grant period.
ME	02	RICKER HILL ORCHARDS	\$250,000	Funds will be used for brand unification, expanding product reach nationally, and to increase production of raw apple cider vinegar, hard cider, fruit wines, and carbonated sweet ciders.
ME	02	THIRTY ACRE FARM, LLC	\$250,000	To expand the marketing and processing of sauerkraut and other fermented products made from organic vegetables.
ME	02	DOGPATCH FARM, LLC	\$50,000	To brand and market pork from critically rare Mulefoot Hogs. Working capital funds will support labor costs for production, sales, marketing, and delivery as well as packaging, labeling and promotional expenses.
MD	01	CHESAPEAKE FARM TO TABLE, LLC	\$48,373	To develop and execute strategic, in-person and online marketing promotion, outreach and advertising efforts
