NEW

Locking Medication Cases

Organize, secure and help protect medications from abuse, misuse and theft

For over 80 years, we have provided customer solutions for cash handling, organization and storage. With the introduction of Med-Master™ locking medication cases, we are using our experience to ensure that prescription medicines are organized and securely stored to help prevent misuse, abuse and theft.

Med-Master™
1111 Wheeling Rd.
Wheeling, IL 60090

The Med-Master™ line of products provides solutions based on in-depth consumer research

Durable Steel Construction maximizes security and longevity

Removable Handle makes transportation easier

Easy Mount Holes allow for secure placement—even in corners (hardware included)

Interior Shelf provides flexible storage for most bottle sizes

LED Magnifier with 10x lighted magnification for easy label identification

Reminder Kit magnetic dry erase pad and pen provide space to record important reminders and notes

Hidden Hinge for tamper-resistant security

Dishwasher-Safe Pill Tray for easy sorting and pouring

90° Opening Door provides a stable surface to sort and manage medication

Programmable Combination Lock offers keyless security with oversized, easy to read numbers

(Deluxe Steel Med Case shown)
