Mr. Adkins.

"My family-of-4's data plan costs more than my car payment. It will be great to save money." Ms. Bates.

"When our parents get new cell phones, we get the hand-me-downs, but no data plan. Free Wi-Fi? Count us in!" Kelley & Stacey.

"Tuition, books, and food cost so much at school, we can't afford to have a bigger data plan. Free Wi-Fi would be awesome!" George & Simon.
