CheapOair takes home two Gold Awards from AVA Digital Awards

Online Travel Agency receives recognition for excellence in website and app design and development

NEW YORK, January 16, 2016: [CheapOair](#), a leading flights-focused, next generation concierge travel service, was recently honored at the AVA Digital Awards for its creative excellence in web-based production for the CheapOair website and mobile app.

The AVA Digital Awards are sponsored and judged by the Association of Marketing and Communication Professionals (AMCP). The international organization consists of several thousand production, marketing, communication, advertising, public relations, and freelance professionals. AVA Digital recognizes outstanding achievement by creative professionals involved in the concept, direction, design, and production of media that is part of the evolution of digital communication.

“We are thrilled to receive this award recognizing the efforts of our mobile and web development teams,” said Daniel Lizio Katzen, SVP of Product and Revenue at CheapOair. “The CheapOair website and mobile app are designed to be a seamless tool for booking travel while providing an excellent customer experience.”

This award is the first for CheapOair in 2017, but is just the latest in a list of prestigious awards from 2016 for excellence in website, mobile web, and mobile app design including the Interactive Media Awards, the Travel Weekly Magellan Awards, and the Stevie Awards.
