zpizza Unveils Self-Pour Tap Room in East Sacramento

NEWPORT BEACH (January 23, 2017) –[zpizza](#), the first artisan-inspired pizza chain, today announced the debut of the zpizza Tap Room in East Sacramento. The restaurant will have a grand opening celebration on January 29th and the first 100 guests to arrive when the doors open at 12:00 pm will receive Free Pizza For a Year* with any purchase.

The restaurant will feature zpizza’s signature artisan brick-oven baked pizzas made with premium ingredients and the franchise’s new self-serve tap wall with 26 local craft beers and 4 taps serving wine. Customers will pour their own beer or wine by using wristbands they scan at the taps that also track the amount poured. The restaurant has modern and industrial design elements that are friendly and inviting, as well as a large outdoor dog-friendly patio that will have water bowls and complimentary house-made treats.

“We wanted to open a zpizza Tap Room because it’s the kind of place we would be proud to take our family and friends. We have created a very warm, casual environment with plenty of big screen TVs for game nights,” said Chris Bright, President of zpizza International. “We’re excited to bring this unique dining experience to the East Sacramento community and look forward to serving the many residents, travelers and businesses that surround us.”

The new zpizza Tap Room is located at 6601 Folsom Blvd., neighboring Sacramento State University. Hours of operation will be Monday through Thursday 11:00 am to 11:00 pm, Friday 11:00 am to 12:00 am (midnight), Saturday 12:00 pm to 12:00 am, and Sunday 12:00 pm to 11:00 pm.

Like all zpizza locations, the zpizza Tap Room offers the choice of delivery, dine-in, take-out and catering, in addition to easy [online ordering](#) so patrons can customize orders with ease from the comfort of their home or office.
