The Embassy Suites by Hilton Lompoc Central Coast Completes Multi-Million Dollar Modernization

*The Embassy Suites by Hilton Lompoc Central Coast California
wraps up their makeover encompassing fresh and innovative enhancements*

[Lompoc, CA, 03/02/17] — The 155 two-room all-suite [Embassy Suites by Hilton Lompoc Central Coast](#) has completed a nine month renovation of its guest suites, meeting rooms, public space, outdoor atrium courtyard and lobby. The hotel is owned and managed by Windsor Capital Group, Inc. based in Santa Monica, CA.

"The extensive renovation recently completed at the Embassy Suites by Hilton Lompoc Central Coast enables the hotel to provide guests with improved accommodations and a more enjoyable overall stay," said Paul Francisco, Chief Operating Officer, Windsor Capital Group, "Our spacious suites appeal to business travelers by offering more space to work and relax than the average one-room hotel accommodations in the local market. Leisure travelers and families enjoy spreading out within the two separate rooms, and the suites are comfortable for gals or guys getaway retreats while visiting the many Central Coast attractions available."

The hotel features a brand new executive boardroom accommodating up to 12 people and over 1,500 square feet of savvy meeting space including three flexible meeting rooms. The meeting rooms are serviced by a highly dedicated banquet/catering professional that will accommodate an array of corporate and private events both indoors and out. In addition, the hotel boasts a business computer station, fitness center, outdoor heated swimming pool, whirlpool spa, outdoor sun deck, guest laundry and a small market open 24/7.

"The timing of our renovation could not have been more perfect," states Golda Mae Escalante, General Manager. We have just celebrated our 30th year of serving the Lompoc and Central Coast area. The extensive renovation channels modern sophistication with old-California charm and encompasses fresh, innovative enhancements and technology. Our two-room suite updates include new beds, case goods, sleek fixtures and furnishings, modern carpet, sound-dampening wall coverings, secure window treatments, bright lighting, new appliances, telephones and revitalized bathrooms including the vanities,"

Ms. Escalante goes on to say, “one of our most exciting enhancements is our outdoor garden and patio area with new masonry and amenities which creates an incredible gathering area for our guests.”

Embassy Suites by Hilton Lompoc Central Coast provides guests with a full complement of services and amenities, including free made-to-order breakfast each morning, a nightly complimentary Evening Reception* and upgraded fast standard Wi-Fi. All rooms are spacious two-room suites with a separate living area, private bedroom, two 43 inch flat-screen high-definition televisions, in-room safe, and wet bar fitted with a microwave, mini-fridge, sink, and a selection of gourmet coffee and teas from The Coffee Bean & Tea Leaf.

Located at 1117 North H Street, the hotel is 10 miles from Vandenberg Air Force Base and less than an hour from Santa Barbara, California. The Embassy Suites by Hilton Lompoc Central Coast is the only upper upscale hotel in Lompoc. The hotel is just a short drive from Santa Maria, Solvang, and Buellton and many other popular Central Coast sites.
