

TELECOMMUTING & REMOTE WORK CELEBRATION 2017

March 20 - 25, 2017: Virtual Vocations will celebrate their second annual Telecommuting & Remote Work Celebration. Enjoy these telecommuting stats Virtual Vocations uncovered throughout 2016 via their own surveys, research, and studies on the scope of remote work in the United States.

TOP REMOTE EMPLOYER

More **UnitedHealth Group** jobs were identified as telecommuting by Virtual Vocations than jobs from any other employer.

TOP STATES FOR TELECOMMUTING

The highest numbers of telecommuting job seekers in the U.S. reside in **California, Florida, Texas,** and **New York.**

TOP REMOTE WORK BENEFIT

83.5% of telecommuters have saved money on traditional work expenses like fuel, business attire, and restaurant spending.

TOP TELEWORK MOTIVATOR

The hope of **increased scheduling flexibility** motivates approximately 75% of job seekers to search for remote work.

TOP HOME-BASED INCOME

Nearly 40% of telecommuters **earn at least \$71,000 per year** in their remote jobs.
