

Introducing the Clarion[®] Pool Safety Sign System

- ✓ Developed by leading experts in safety standards, signage and aquatics
- ✓ The **ONLY** sign system on the market tested by viewers and proven to be quickly recognized and easily understood
- ✓ Designed with clear graphical symbols to draw attention to core safety messages
- ✓ Complies with the latest standards to fulfill your legal "duty to warn"

How to Build Your System...

1 Indoor or Outdoor?

- Select indoor or outdoor signs.
- Indoor for non-glare textured material
 - Outdoor for weather-durable material

2 Choose Warnings and Size

- Select 3 or 4 core warning message symbols and the size of the diamond signs based on pool size.

3 Fully Inform

- Match the same 3 or 4 core warning message symbols to display at the pool entrance to comply with best practice standards.

All signs available in English/Spanish as shown.
