

FRESHSTART BOOTCAMP

WHAT WE DO

The FreshStart Bootcamp is a free 20 hour course that covers all fundamentals of learning computer science. Trainees learn about computational thinking, algorithms, functions, conditionals, abstraction, relay programming and the internet. Non-profit partners ensure that candidates are job ready to participate in internships in companies. The program is for trainees from ages 16 to 60 who are just starting or remedial in learning computer science.

WE ARE HERE TO HELP YOU GROW!

FRESHSTART BOOTCAMP

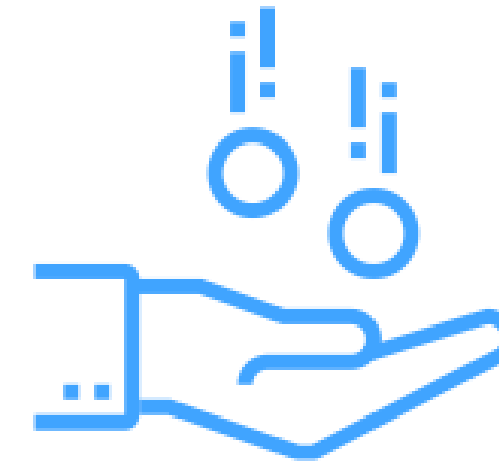

WHY CHOOSE US

Freshstart Bootcamp
is FREE

Learn how to work
in many industries

Get a better paying
entry level job

Find new
career possibilities!

Computer coders start
at up to \$90K/year

Get a firm pathway
to start a business

LOS ANGELES CLEANTECH INCUBATOR

The Los Angeles Cleantech Incubator (LACI) is a private non-profit organization helping to accelerate the commercialization of clean technologies by offering flexible office space, CEO coaching, mentoring, and access to a robust network of partnerships and capital.

LACI was founded in 2011 as a cluster-driven economic development initiative supported by the City of Los Angeles, LADWP and the Community Redevelopment Agency of Los Angeles. Recognized as one of the most innovative business incubators in the world, LACI identifies local entrepreneurs across multiple cleantech business sectors and guides them to market, creating jobs that advance LA's green economy.
