We will be serving 250 individuals with a brand new pair of shoes! Volunteers will spend time with each shoe recipient by washing his or her feet, placing a new pair of athletic shoes and socks on them, and encouraging them.

Samaritan's Feet was started in 2003 by Manny Ohonme, who received his first pair of shoes from a missionary when he was a child in Nigeria. Those shoes allowed him to learn and play basketball, ultimately earning him a sports scholarship in the U.S. A simple pair of shoes and the kindness shared by this "Good Samaritan" changed the course of Manny's life. The mission of Samaritan's Feet's is to bring that same message of hope and love to children and adults in the U.S. and around the world.
