

TruConnect Now Offers Smartphones through SmartPay Leasing

Los Angeles, CA, April 18, 2017 – As TruConnect continues to grow, they now offer Lifeline and Pay As You Go customers a wider range of smartphones to choose from. Starting at only \$20 per month, TruConnect customers have access to the latest smartphone options at affordable prices.

Through SmartPay, qualifying for leasing is quick and easy. Customers who have a monthly income of at least \$1,000 can sign up for SmartPay and checkout within minutes. Depending on income, customers are given a credit amount that they can use towards smartphones and accessories, then make low payments each month. Available devices include: Samsung Galaxy S3-S6, Samsung Galaxy Note 4/5, LG G Stylo, LG G4, LG V10, Apple iPhone SE, 6/6 Plus, 6s/6s Plus, and 7/7 Plus. Customers also have the opportunity to pay nothing upfront if they qualify. Phones and accessories can be purchased with a credit card or through PayPal.

“Combining the low monthly payments for top smartphones with Lifeline service or Pay As You Go plans starting at \$5/month makes TruConnect more affordable than ever,” Co-CEO Matthew Johnson said of the new leasing options.

For more information on available devices and accessories, visit smartphones.truconnect.com.
