CheapOair Continues to Receive Recognition for Excellence in Mobile App Development

Leading Online Travel Agency Awarded Second Gold of 2017 for Innovation in App Design and Development

NEW YORK, April 19, 2017: [CheapOair](#), a leading flight-focused, next generation concierge travel service, was honored recently with a Gold Award at the Hermes Creative Awards for progress in mobile app development.

The Hermes Creative Awards are sponsored and judged by the Association of Marketing and Communication Professionals (AMCP). The international organization consists of several thousand professionals in production, marketing, communication, advertising, and public relations. AVA Digital recognizes outstanding achievement by creative professionals involved in the concept, direction, design, and production of media that is part of the evolution of digital communication.

“We are very proud to receive this award for the second year in a row honoring our Mobile App from the Hermes Creative Awards,” said Daniel Lizio Katzen, SVP of Product and Revenue at CheapOair. “Our Mobile development team is constantly working to keep the app at the forefront of innovation in order to provide our customers with the best possible flight booking experience.”

This award is the second consecutive Gold Award from the Hermes Creative Awards honoring the CheapOair Mobile App. In addition to this award, the AMCP also recognized the app’s creative design and usability with a Gold Award at the 2017 AVA Digital Awards.
