Learner + Mobile Manager

Managers and administrators have access to both the Learner and Mobile Manager dashboard, allowing them to leverage the entire platform from their mobile device.

Coach Your Team

Help your team develop skills by watching Pitch IQ responses and providing scores and feedback directly in the app.

Manage Reviews

Hold your team accountable by monitoring completion and proficiency. Automatically send reminders to those falling behind.

View Recently Reviewed

All team pitches are stored in Mobile Manager for quick access. Re-watch top performers or reassess past reviews if changes and improvements need to be made.
