## ***OFFICIAL STATEMENT FROM CELLINO & BARNES***

The legal action between the principals at Cellino & Barnes is garnishing the attention of the media, but the fact is, it has no bearing on our day-to-day operations.

The attorneys and the support team at the firm continue to provide unwavering commitment to each and every client to help get them the best result possible. Cellino & Barnes attorneys have several hundred court appearances scheduled this summer.

In fact, in one Cellino & Barnes trial in a New York court room this past month, our lawyer and our injured client received a jury verdict of over \$600,000. Just months after the insurance only offered \$85,000 for the motorcycle accident.

Cellino & Barnes continues to grow, [continues to advertise](#), and continues to aggressively fight for our clients. The firm encourages all personal injury victims seeking legal representation to contact Cellino & Barnes today (“Don’t Wait, Call 8”).

As one of the largest personal injury law firms in the country, Cellino & Barnes has experienced strong growth and momentum in recent years, and looks forward to helping existing and new clients with their personal injury needs.
