INCLUDED SOFTWARE

DON'T JUST HAVE A KIOSK, MANAGE IT! OUR FREE INCLUDED SOFTWARE

ZAMOK FOUNDATION
Securely display a website or an application hosted in the cloud. Easy to setup and easy to use. Features include: screen saver, navigation bar, easy printing feature, domain restriction and more.
A $260 value included with each kiosk.

ONE FINGER TOUCH SCREEN
The perfect application for any interactive kiosk with many features. Different designs to choose from and can even speak whatever is typed. Easy to setup and fun to use.

REDO RESTORE
Problems happen. Corrupt files, malicious 3rd party software, or user attacks. No worries, ReDo Restore will reimage your Kiosk back to the original configuration you received on day one; drivers and Advanced Kiosk software included.

WINDOWS 7 PRO
Windows 7 is by far the most widely recognized and used Operating System. Configuring your kiosk will be as familiar and easy as using your own computer. Genuine, non-embedded Windows 7 Professional.

GREEN TIMER
Just like you wouldn't leave the lights on in an empty room, there is no need to run most self-service kiosks 24/7. Use GreenTimer to easily create a schedule to automatically turn your kiosk on and off daily.

TEAMVIEWER
Every Advanced Kiosk comes loaded and configured with TeamViewer for remote support. With Permission, TeamViewer makes it easy to remote into your kiosk to evaluate issues and provide immediate solutions.
