

H₂O The Best Water Bottle

AWARD WINNING

The H₂O Water Bottle is the winner of the Naturally Curly Editor's Choice 2017 Awards! Best Moisturizer and Best Refresher!

Curl Re-activation

Re-activating your curls ensures styling success for several days. Curl Keeper re-activates with water for perfect day 2, 3 & 4 curls. The mist will rehydrate, moisturize and re-activate your curls. The H₂O Water Bottle is the ultimate styling tool for your frizz-free curls.

Ultra-fine Mist

The refillable bottle has a consistent spray pattern that allows for 360° coverage of continual spraying including the ability to be sprayed upside down.

DIRECTIONS

Pump several times to get spray going, then with constant pumps you will get perfect continual misting. Untwist spray head to refill bottle. It is only recommended to fill bottle with water.
