### **A+ Dental Care Hosts Free Dental Day**

**A+ Dental Care is Partnering with the Smiles for Everyone Foundation to Provide Complimentary Dental Services in Folsom, CA on September 9<sup>th</sup>**

*Folsom, CA – August 21, 2017* - The Folsom community and surrounding areas will have the opportunity to receive free dental services at A+ Dental Care's new Folsom location on Saturday, September 9.

Dr. Abdon Manaloto, Dr. Kayla Nguyen, Dr. Flaviane Peterson, Dr. Fernando Vargas and the A+ Dental Care team have partnered with the [Smiles for Everyone Foundation](#) to improve the oral health of the community at their new Folsom office as part of a Day of Giving, a day dedicated to providing dental care for low income individuals at no charge.

Access to dental care is a challenge for many Americans. According to the U.S. Department of Health and Human Services, approximately 108 million Americans are living without dental insurance.

"A Day of Giving is a great opportunity for us to give back to our community and help those less fortunate. We understand that gaining access to quality dental care can be a challenge and we also know how important it is to maintain good oral health," says Dr. Manaloto.

There is increasing evidence that links oral health to overall health and well-being. According to the American Dental Association, poor oral health can lead to additional health issues such as cardiovascular disease, dementia, respiratory infections, and diabetic complications.

“By providing complimentary dental services as well as oral health supplies and education, we hope to have a long term positive impact on the individuals we treat at the event,” says Dr. Nguyen.

A Day of Giving takes place at A+ Dental Care’s Folsom location at 1840 Prairie City Road, Suite 200, Folsom, CA. Free dental services offered will include; x-rays, exams, cleanings, fluoride treatments, sealants, oral cancer screenings, fillings and extractions.

Appointments are available to ensure that the maximum number of patients will be seen and to minimize wait times. To schedule your appointment, call (714) 824-5037 today!
