MERIDIAN SENIOR LIVING COMMUNITIES OFFER ACCOMMODATIONS TO SENIORS DISPLACED BY HURRICANE HARVEY

SILVER SPRING, MD – AUGUST 31, 2017 – Meridian Senior Living (MSL) communities in the Houston, TX area: Orchard Park of South Fork, Orchard Park of Victory Lakes, Harvest Home and Inwood Crossing are fully open and operating after Hurricane Harvey due to the tremendous support of friends, family, community volunteers and local municipalities. These Assisted Living and Memory Care communities are opening their doors to seniors who are displaced as a result of Hurricane Harvey and need respite, month-to-month or long term accommodations. Welcoming senior individuals and couples, the upscale accommodations include one and two bedroom configurations as well as furnished and unfurnished options. Key amenities provided are three meals per day and transportation to local doctor's appointments.

MSL also offers senior housing availability to those in need in sister Texas and Oklahoma communities, including Orchard Park of Kyle, Orchard Park of Permian Basin, River Point of Kerrville, Willowood at Mustang, and Emerald Square.

Kevin Carlin, Principal and Chief Sales Officer, Meridian Senior Living, LLC says, "I am almost at a loss for words as I express extreme gratitude. We celebrate so many good times but it is sometimes the challenges in life that really define us. I pontificated as I drove from League City to Austin about all of the preparation and the unplanned actions that went into this and I realized how incredible our teams really are. I was honored to serve with our teams as we prepared for and endured the one of the worst hurricanes in history. All made our residents safety the highest priority, worked tirelessly during Harvey, and drove hundreds of miles before it reached landfall to ensure everyone had the necessary supplies to be as prepared as possible."
