

# Interview Guide Builder

Provide your interview teams with the questions they need to assess talent. To assist your interviewers with best practice techniques, we provide an online interview training program so you never have to conduct one of those half-day behavioral interview training courses again!

## QUICKLY ADD STRUCTURE & CONSISTENCY TO YOUR INTERVIEW PROCESS

Capture, store or distribute post-interview candidate feedback. Improves compliance and makes your calibration meetings more data-driven.

## MAKE BETTER HIRING DECISIONS WITH WEB & MOBILE FEEDBACK FORMS

Mobile web forms speed up the post-interview feedback cycle. Stop chasing your managers down & improve your time-to-fill!

*“The Interview Guide Builder has the right combination of tools and training that allowed me to roll out a consistent interview process across the company.”*
